PARKING

Handicapped Parking:

Make your first left just past the dry cleaners and before the circular drive. Due to construction, this lot has a **very limited** number of handicapped spots. Please DO NOT park in the NCI Garage. If you cannot find a space in the front of the building, there are also handicapped spots available behind Gilchrist Hall. See below.

Additional Parking:

If there are no parking spaces available in front, there is plenty of additional parking around the back of Gilchrist Hall. After parking, follow the walkway on either side of Gilchrist Hall to walk around to the front entrance of the building. Gilchrist Hall (9601) is the middle building.

BUILDING ACCESSIBILITY:

- People with mobility issues may be dropped off at the circular drive entrance to Gilchrist Hall.
- There is a reserved area at the back of the Hall for people with wheelchairs, walkers, etc.
- If you want to sit in the front of the Hall but avoid the steps going down to the front, there is an elevator available. Ask any Oasis volunteer to direct you.
